BLUE VEGAS STORIES

Probing the dark, human stories lurking in the neon shadows, *Blue Vegas* represents the work of a writer who knows Las Vegas and is a keen observer of its diverse population. These seventeen stories explore the clash between old and new Las Vegas, and the quest for scraps of love and dignity amid the ruins of the lives of has-been showgirls, desperate killers,

degenerate gamblers and quick-buck mercenaries.

The debut title for CityLife Books, *Blue Vegas* shines a light on the hard luck, faded dreams and lingering anguish faced by people who've been trampled by this single-minded city.
